## From the President, Brian Davis

Hello, Neighbors!

And Happy New Year! I trust that you've all enjoyed the holidays, and are well on your way to keeping your new year's resolutions, if they've not already been broken. I'd like to take this opportunity to thank our outstanding Board for their service in 2016, and to welcome our newest members for 2017.

This past year was one of significant accomplishments, and we have much to be grateful to the Board for. I'll mention a few of the highlights here, though there are many more we've enjoyed.

We have a beautiful new entrance mural at Monssen and Vernon, paid for in part with funds received from the Old Oak Cliff Conservation League. We established a marketing agreement with Methodist Hospital that brought in \$3000 worth of unrestricted funds. We hosted an entertaining seniors' brunch at the Kidd Springs Park Recreation Center, and have relocated our General Meetings to this facility for tremendous savings and the ability to support our local parks. We have continued to provide welcome baskets to our many new residents, and have a freshly printed Directory to include in them. We've established a pet chipping program

that allows us to include fur friends in the Online Directory to help them get back to their owners when they're lost. We've hosted numerous social gatherings that have allowed us to get to know each other better. We've set a new record for the number of VIP security patrols in one year. And my personal favorite: the unification of our school zoning patterns to ensure that all Wynnewood North households are zoned for the same three schools; and that we once again are part of the Adamson High School feeder pattern. If you haven't visited Botello Elementary School yet, you should. It's impressive, and provides a solid option to our neighborhood parents.

We are so fortunate to live in a beautiful neighborhood with lovely homes. Let's be certain to always remember that what makes us especially lucky is the relationship we have with each other. I'm proud of the neighborly spirit we all share, and wish you the very best for the new year ahead. Please let us know how to serve you.

See you soon!  
Brian

## Spotlight On Our New Board Members

### Treasurer - Gail Moore

Hello to all Wynnewood North residents. My name is Gail Moore and I'm the new Treasurer of our neighborhood association. Denise Requardt will be turning over the reigns to me as of the first of the year and I really look forward to helping and serving the neighborhood.

I'm a fellow Texas and was raised in Oak Cliff. I moved to the Wynnewood North neighborhood in the fall of 2013 after having been away from Texas for almost 30 years. After looking for a house in the Dallas area in the prior six-month period, I never thought I'd end up back in Oak Cliff! Imagine my surprise when my real estate agent sent me the listing for the house on Woolsey - also referred to as Esmond's house. Needless to say I loved the house and purchased it online the same day (July 2013) and finally got to actually see it the day I flew back to Texas to start my retirement in October. Never did I regret to not actually seeing the house prior to my moving here as I love my house and was especially pleased with the welcome I received from all the neighbors once I finally moved in.

At the time I retired, I was the CFO of an interactive marketing company in Boston so I do have experience in most financial matters. Prior to that, I was the Senior Finance Director for an advertising agency in the D.C. area working for six years doing mergers and acquisitions for the

company. I've seen a lot of different accounting methods and feel that my level of experience will be a benefit to the neighborhood association.

Should anyone need anything from me, I can be reached via email or a phone call. I look forward to serving all of you in this new capacity.

### Social—Chris Quadri

Happy New Year, Wynnewood North neighbors. I am your new Social Director for the Wynnewood North Neighborhood Association in 2017. My wife, Kimmi, and I both grew up in Dallas. We moved into Wynnewood North (from Elmwood) two short years ago in May. We have a two year-old son named Carlo. We are all excited to help continue the traditions and festivities that have built the neighborhood into the gem that it is today. While we all know Wynnewood North is beautiful on the outside, we also know that it is the people that are on the inside of the homes that give the neighborhood life, strength and joy. I look forward to celebrating with you all throughout the year.

Don't hesitate to call, email or come by our home if there is anything that I can do for you in my role as the WNNNA Social Director or as your neighbor. I can be found most evenings enjoying food and spirits with friends and family on the back porch.

## Parent Liaison—Becca Leonard

I am thrilled to be joining the Wynnewood North Neighborhood Association Board as Parent Liaison in 2017. I was born in Pittsburgh, PA, but raised in Dallas most of my life. Leaving the Dallas area to attend the University of Georgia (Go Dawgs!) before returning again in 2006.

Once back in Dallas, my husband and I bought our first home in Winnetka Heights in 2010. At the time, we had looked at homes in Wynnewood and loved them, but none worked out at the time. In 2015, we decided to sell our home in Winnetka Heights and move into our beloved home on Mayrant with our now 13 year old daughter and 2 year old son.

I am the Director of Development for Dallas CASA (Court Appointed Special Advocates). I love my job and the work that our organization does to serve children in foster care. I feel fortunate to have the opportunity to do what I love with the amazing support of my husband and kids.

I look forward to serving as the Parent Liaison and to getting to know you all better. Please feel free to reach out to me if you need anything. Thank you for this opportunity!

## Vice President:

Fallyn Jones, our outgoing V.P., and her husband Charles, recently had a life changing event,. Welcome to the world, a little one!). We have been lucky to have Fallyn serving our neighborhood the past few years and we wish her well. In-coming V.P., is Denise Requardt. Denise is starting her fourth year serving WNN, the first 3 years as Treasurer. She is also joins other dedicated residents, as animal advocate, has been an active resident of Oak Cliff for many years.

## Publications:

One of our past board Presidents, Lynn Sulander, has been elected back to the board, in the role of Publications Director. Lynn has quite a bit of experience in this role. She has assisted with the newsletter many times over the years. Lynn welcomes new and unique newsletter ideas. If you are a business owner, newsletter ads are a great way to get the word out to your neighbors. Publish costs are in this issue or on the web site..

The Stork & Fallyn, Charles and Charleston Jones

## Special Note Of Recognition:

Cindy Kirk has been serving WNN for NINE consecutive years as Secretary. Fourteen years total! Please give a very special THANK YOU to Cindy when you see her!

## Beautification—Cynthia Michaels—Yard of the Month Recipients:

**C**ongratulations to the homeowners voted **Yard of the Month**

**NOVEMBER:** Belinda Sweeny & Michelle Beahmear

**DECEMBER:** Bob Wolf & Mike Wicker

**JANUARY:** Jan & Jay Sullivan

Each recipient of Yard of the Month receives a gift card compliments of Calloways. We have many beautiful yards in our neighborhood. Please remember to nominate homes for Yard of the Month. An eblast is sent out notifying residents when it is time to nominate homes for Yard of the Month. As you work in your yard through the winter months, note that Calloway's has provided helpful tips and a coupon to be used on the purchase of your gardening needs. *We will limit each home to receiving this designation only once per year.*

**NOVEMBER— 630 Mayrant**

**JANUARY— 622 S Manus**

**DECEMBER — 523 Hael**

### **\*\*Wanted - Beautification Committee Members\*\***

Some of the duties/responsibilities of the members: (1) Nominate a house for yard of the month (2) Vote on the houses nominated to determine the YOM winner. (3) Help with greenbelt cleanup. (4) Participate in It's Your Park Day. (5) Woolsey/Monssen triangles maintenance. Current Members: Phil Perry, George Roberts, Charles Jones, Terry Thomas, Denise Requardt If you are interested in becoming a member, Contact me at [beautification@wynnewoodnorth.org](mailto:beautification@wynnewoodnorth.org). Looking forward to another BEAUTIFUL year!!!

### **\*\*Alley Maintenance Reminder\*\***

It is each homeowner's responsibility to keep the alley way directly behind your home clear and free from overgrowth and debris such as grass, limbs, branches, construction materials, etc. Please take some time to walk this area behind your home and do a little spring cleaning before the next bulk trash pick-up.

## Tips for Winter Gardeners—Provided by Calloway's and Cornelius Nursery

### Timely Tips for January Gardeners

Working in your garden is an excellent escape during the holidays. It's a great time of year to do some of the heavy work in the landscape as opposed to sweating it up in the heat of the summer.

Don't put up the mower yet. Although turf grasses have stopped growing, you can use the mower to chop up and recycle the leaves back into the lawn or for a compost pile. Prepare gas-powered engines for winter. The owner's manual is the best guide to winterizing a lawn mower, tiller, garden tractor or other equipment.

Drain and store garden hoses and watering equipment in a readily accessible location. Lawns and other plants

may need an occasional watering during prolonged dry spell.

In general, once the weather gets and stays cold, pruning of deciduous plants (ones that lose their leaves) can be safely done. Evergreen hedges can be sheared or cut back in the winter also.

Wait until February to prune your roses. Remember – Do Not Top your Crapemyrtles! Simply prune to remove seed heads and shape.

Prepare for the cold weather before it hits! One of the best things you can do for your landscape plants is to provide a 2 to 3 inch layer of mulch. Mulching is necessary year round but during the colder periods it provides a layer of insulation for the roots. Water your landscape well before a cold spell. A drought stressed plant is more susceptible to freeze damage. For more tender plants, purchase **frost cloth** for extra protection. Cover the plant completely allowing the edges to come all the way to the ground, utilizing the heat which radiates from the ground.

December is a perfect time to plant trees and shrubs so they can develop a strong root system for next Spring. Cool weather color such as Pansies, Snapdragons, Cyclamen, Flowering Cabbage and Kale add splashes of color to your landscape. Spring flowering bulbs can be planted now once they have been properly chilled. Make your home beautiful with a stunning assortment of floral quality Poinsettias, Cyclamen, and the freshest greenery. Add a mix of new indoor and tropical plants to energize your home.

Remember to provide food and water for the birds this winter. You can attract just as many birds with a bird bath as with food, especially during the dry spells. To draw a diversity of birds provide a variety of seeds, like sunflower, thistle, safflower and millet; plus suet. Once you begin putting out bird food, continue feeding them through the spring time. Enjoy your time with family and friends. We hope you had a very Merry Christmas and have a blessed Happy New Year!

## Wynnewood North Directory

### Enhancements to the Directory—Cynthia Michaels

#### Ability to Specify Emergency Contact Information

Please be sure to log-in and check the directory information listed for you. If your phone number has changed or your email address, please make the correction. Also, you will notice an Emergency Contact has been added. This was added in case there was an emergency and someone needed to be notified about the situation. Our VIPs use the directory frequently. Notifying owners of garage doors left open, packages left on porches, dogs loose, etc.

#### Ability to Register Your Pet

**WHY TAKE THE RISK?  
GET YOUR PET MICROCHIPPED**

**It could be a life saver! Accidents happen, your pet gets loose without you knowing it.** If you register your pets in the neighborhood directory our residents have another source to help return them home safe.

**Did you know in 2016 the Board of Directors, with the help of an Old Oak Cliff Conservation League Grant, purchased a pet micro-chip reader!** Denise Requardt has volunteered to be the Master Scanner for Wynnewood North. How cool is that! We can find out quickly who owns the loose pet if they have a micro-chip on board.

A great number of our dogs were registered during the very successful Wynnewood North Tail Waggers Event in November. If you were unable to attend the event, you still have the opportunity to enter the data and picture of your pet(s) into the Wynnewood North Directory. everything correctly, the dog information should appear when you search for you name and click on it.

#### How to Update Your Information in the Directory—It is simple!

Simply Log-in to the Wynnewood North Web-site ([www.wynnewoodnorth.org](http://www.wynnewoodnorth.org)). Go to the Directory and do a search for your name. After the search, your name will appear in the upper right hand corner of the page. Click on your name and then you will see a button on the left hand side that states "Edit". Click on the button, scroll down until you find the **To see the WWN directory**, Click on the button, scroll down until you find the Emergency Contact information. Enter the information into the various spaces. Be sure and click on the "Save" button before you exit the page.

If you are not computer savvy, contact your Block Captain or Janice Coffee (Communications Directory) to help you get your latest information in the system.

**Please NOTE the directory is only available to those who live in Wynnewood North. It is private and not available to the public.**

## Crime Watch—Jeff Sappenfield

### Annual Overview

The neighborhood really came together this year when it comes to watching out for each other.

Nextdoor.com was a huge reason for such great communication. We still have crime activity; however, when we look out for each other and call 911 when we see suspicious behavior, I believe we have an impact – we are either preventing criminal activity or at least catching the criminals and preventing those individuals from carrying on. We had a total 19 reported crimes in 2016, which, unlike other years, was spread out throughout the year with the most crimes occurring in December (4 crimes).

The VIP patrol program just completed its 8<sup>th</sup> year. We currently have a total of 61 VIP 's which includes 44 active members with at least one patrol each in 2016. Most of our VIP's complete 2 patrols a month, but around 5 or 6 of us patrol anywhere from 4 to 8 times a month. This was a record-setting year with a total of 286 patrols, which is an average of 23.8 patrols - or 31 hours' worth of patrolling - per month. In both April and June, we set a record of 27 patrols in one month.

For 2017, our goal is to average 25 patrols per month. As always, we are looking for new VIP's to help keep Wynnewood North Safe. Please email [crime@wynnewoodnorth.com](mailto:crime@wynnewoodnorth.com) if you would like to be involved.

As we prepare for 2017 the WNNA Board is working on other solutions for decreasing the crime in Wynnewood North. Some of the methods include opening communication with nearby neighborhoods, increasing our VIP membership, and researching the crime prevention methods other neighborhoods in the metroplex are using. If you have any suggestions, please email [crime@wynnewoodnorth.com](mailto:crime@wynnewoodnorth.com).

### 2017 VIP Classes

There will be approximately four VIP classes throughout 2017. The first will most likely be late February or early March. If you are interested in attending a class or think you will be interested in becoming a VIP in 2017, please request the paperwork via email at [crime@wynnewoodnorth.com](mailto:crime@wynnewoodnorth.com). From there, we can determine the time of year that is best for you to become a VIP on patrol.

### Crime Watch Communication

The best way to stay current on neighborhood crime and crime prevention tips is to become a member of Nextdoor.com. You can set up your membership to just receive information from Wynnewood North, from three or four nearby neighborhoods, or from all eleven neighborhoods that surround Wynnewood North. Other options include having Nextdoor.com email you with reminders of posts made by neighbors – the advantage of this is you don't have to be logged on and watching Nextdoor.com to get urgent FYI's or otherwise. There is also an app for cell phones. Neighbors utilize this site to make other neighbors aware of suspicious behavior such as suspicious vehicles or people in the neighborhood. I share information with our neighbors through this website when there is a crime in Wynnewood North, or have important information to share about crimes committed nearby. The police have begun to use this site to pass along information. Nextdoor.com is used for so much other useful information as well – such as recommendations for service providers, products, local businesses and events. If you are not on Nextdoor.com, please email me at [crime@wynnewoodnorth.com](mailto:crime@wynnewoodnorth.com). Once we have confirmed your status as a resident of Wynnewood North, we will be able to invite you to be a part of the Wynnewood North Nextdoor group

## Tailgate Thefts

A rash of tailgate thefts have occurred throughout Oak Cliff – three were here in Wynnewood North. The thieves are very brazen as they have stolen the tailgates in the middle of the night while the trucks are as close as 5 feet from a house entry point. Investigators are working on these thefts, but we are not yet sure of the priority; therefore, I suggest if you are unable to park your truck in your garage, purchase a tailgate lock which is available for around \$35.

## Out-of-Town or Long-Term Construction

Just a reminder that if you are going to be out of town, or have long term construction, please be sure to email your name, address and the out-of-town or construction dates to [crime@wynnewoodnorth.com](mailto:crime@wynnewoodnorth.com). The VIP's on patrol will then be aware and can keep an eye on your home while patrolling during the dates submitted. Important tip: get to know your closest neighbors and become comfortable with providing each other out-of-town or long term construction dates. Your closest neighbors are typically the ones that will notice suspicious behavior before anyone else.

## Community Service – Neighbors In Action – Vicki Patsdauter, Resident

### Wynnewood North neighbors come to the rescue!

The Society for Companion Animals (SFCA) is a local pet rescue that was begun by one of our long-time neighbors, Tawana Couch. She grew up in Wynnewood North, and saw the numbers of stray dogs in our area. She started the rescue because, as a flight attendant, she thought she had a unique solution to this problem. Fly the pets to states that have families waiting to adopt. These states do not have the issues the state of Texas has with loose dogs. In fact, they do not have enough for the families who wish to adopt. Enter Tawana, with her connections in the airline industry, convincing American airlines to fly these dogs north, and Southwest, to bring the crates back to be used again.

These dogs are the ones that need the help the most. Because we have such an overpopulation in Texas (she gets many dogs from the rescues along the border who have no room to hold them), most are healthy, but some are older dogs, heartworm positive, injured, or have mange. Without her help, these animals would probably be euthanized. SFCA helps pay for their boarding, the treatment and health certificates needed before sending them north. This can get quite expensive. They rescued over 500 dogs this year! Projected

Lynn and I have helped Tawana in the past, and Lynn saw a need and knew she could ask our great Wynnewood neighbors to help. They responded in the last couple of months to our call, and had great fun and some hard work at Boykin Kennels (where the dogs come to first) taking the dogs off the buses, checking them in, walking them, and getting them settled in the kennel. Other volunteers pick up crates from Southwest, assemble crates at Tawana's house and take them to Boykin. Volunteers take dogs to the vet for health certificate or for treatment, foster the dogs till it's time to leave, and then go to the airport to put the dogs on flights in the middle of the night to their new homes!

SFCA has an annual fundraiser auction and volunteers will help by finding donations for the auction and preparing the venue.

So, who are these Wonderful Wynnewood North Neighbors?

### Tawana Couch, *President and Founder of Society for Companion Animals*

Lynn Sulander	Cynthia Michaels	Rick Iber
Lyn Duerson	Phil Perry	Pam Westerhide
Jenny Wegley	Cindy Kirk	Joan Buccola
Jeff Sappenfield	Donna Libby	Jane Sullivan
Jan Nunn	Denise Requardt	Terry Thomas
Reese Leonard	Ali Adams	Mary Scherer
Vicki Patsdauter	Addison Leonard	

### Non-residents Carol Merritt,(Boykin Kennel) & Barb Moore

expenses for 2017 will be over \$100,000, and this is with no paid staff, all volunteers, discounts from the airlines, donated crates and no adoption fees. The only income they have is from our donations.

SFCA relies completely on volunteers to do this work.

Continued from page 11

We can't thank our friends and neighbors enough for their willingness to be there for a great cause! Those of you who are unable to volunteer, please consider the Society in your future gift giving, or as a tax-deductible contribution and sign up to receive the SFCA newsletter to learn of volunteer opportunities. <http://www.societyforcompanionanimals.org/>. In Tawana's words: "We fly our animals to loving arms. It is only through your support

that we can continue this life-saving work. SFCA has no paid staff. Our volunteers spend countless hours cleaning and assembling cages and fostering and transporting the animals we help; but, if we did not have the funds on hand to cover our costs, we could not save a single life. Every penny that you donate to SFCA goes directly toward

veterinary care, boarding and transport for the animals we help. Please be an angel and give our pets wings."

## Community Service— Little Free Library—Vicki Patsdauter, Resident

### Wynnewood North has its own Little Free Library!

Earlier this year, my friend from church was telling me about her Little Free Library. "What is that?" I said, and my curiosity grew and my excitement went through the roof. I had never heard of this, so immediately went home and googled it.

Little Free Library is a non-profit organization ([www.littlefreelibrary.org](http://www.littlefreelibrary.org)), dedicated to promoting literacy and reading among neighbors, sharing books for adults and children alike. It was begun just 6 years

ago, and today there are 50,000 libraries worldwide! Little Free Libraries are hand-crafted structures (like a little school house) filled with constantly changing collections of books donated and shared by people of all ages and backgrounds. They are built to withstand weather of all kinds. To be called a Little Free Library, we had to have an official charter sign, charter number and listing on the LFL map online. As you can see below, Dallas has quite a few, but only 5 in the Oak Cliff area. I became determined to get one in our neighborhood. My friend Sheila, got me in touch with Johnny, who made hers. He let me pick out my colors (Green and Purple, of course), and next thing I

knew, I was picking it up at the church. Oops, I forgot to tell Lynn about it in my excitement!

Lynn's idea was to make a proposal to the neighborhood board to put it near one of the green-spaces. I thought it would take some convincing, but I wrote up a proposal, and Cynthia Michaels offered to present it at the board meeting in October. To my delight, they accepted the proposal!

Colter Hoggan volunteered (or maybe I drafted him) to dig the hole for the post and cement it in. Cynthia then put the library on the post. On November 17, the morning of the dedication, we had about 15 neighbors there to cheer. Alex on the corner has also offered to help, and keep an eye on the library. If you want to drop off books, she said she was willing to keep them, but please be selective and thoughtful about what you contribute.

Our own Little Free Library is at the corner of N. Manus and Monssen, in the triangle where there is shade from trees and a bench to sit on as you browse the books. I've already decided to add a "leash hook" so as you walk your dog, you can sit a moment to look through the books. I hope to add a couple of solar lights for night time viewing. There will be a guest book as well after the first of the year for you to add your comments or suggestions. As I get ideas, I will promote activities and games. Alex and I will try to rotate books so that every time you come, you may see something different. We also hope YOU will add a book here and there that you found interesting.

The motto for the LFL is "Take a book, leave a book". These books are free, with the hope that you will contribute one to take its place, although that is not a re-

quirement. My friend says her neighbors have kept books circulating, and even contributed card games and CD's. You will meet more neighbors, and children will see the library as a destination as they walk the neighborhood. Realtors have even said that Little Free Libraries have influenced potential home buyers to decide to settle in one neighborhood rather than another. The LFL conveys a sense of community and sharing. You may be surprised by the variety and quality of the books in our library. Our neighbors are diverse in their interests and hobbies! You may find a book on Koi (Colorful Japanese carp), or Regina Music Boxes that play tin records! Children may find books for a holiday, or that Harry Potter book they've been looking for.

Our LFL has a Facebook Page (Wynnewood North Little Free Library) that I'm still learning how to promote. You may have heard that the city of Dallas was considering regulating these libraries. I made sure our library would be within these guidelines if they went through. Eventually, it was seen to be a solution looking for a problem, and it was dropped. The variety and imagination that goes into some of these libraries is wonderful!

I want to thank all of you that supported this effort. Cynthia Michaels was vital in helping me get it approved, and Colter Hoggan in getting it set up. Susan Oakey helped get ready for the dedication, and everyone who came out, brought books and applauded at the dedication, thank you!

Let's make this a shared experience! Give me your ideas, and look through your or your children's books to see what you can contribute. Write a little note about why this book was interesting to you or your child. Then, stop by, sit a spell, and get lost.....in a book!

## Block Captains

Ever wonder how your newsletter and other neighborhood flyers come to your doorstep? We have a dedicated group of volunteers, called Block Captains. The Block Captains responsibility is to deliver whatever communication the Board publishes to your home within 2 days. Our Communications Director, delivers the communication to the designated Block Captain for your street, then they deliver them to your home. Some of our Block Captains are so dedicated you get the document within hours.

The Block Captains also help keep our Directory up-to-date with contact information of new neighbors.

## 2016 Fall Wander

The WNNa Wander is our semi-annual fundraiser with the added benefit of getting to know more of your neighbors. Enjoy these photos of the 2016 Fall Wander, which was graciously hosted by the following residents:

**Home 1 (Appetizers/Happy Hour): Gail Moore**

**Home 2 (Main): Charles Foulkes & Jack Kane**

**Home 3 (Dessert): Tracy Lofts & Vicky Gouge**

For more information about the Wander program, or if you would like to host (or co-host) one of the wanders, please contact our social director, Chris Quadri @ [social@wynnewoodnorth.org](mailto:social@wynnewoodnorth.org).

## HOLIDAY EVENTS

## Pet Corner—Denise Requardt

Lost a pet? Who should you contact? First, please be sure to get in touch with Tony at Dallas Animal Services before rehoming or placing any found pet with rescue.

If there is an owner looking for a lost pet that is likely where they will go. Tony's # is 214-670-9501 or [DASLost@DallasCityHall.com](mailto:DASLost@DallasCityHall.com). Dallas Animal Services has a Lost & Found board on Pinterest with additional information for anyone who has lost or found a cat or dog. [https://www.pinterest.com/dalassshelter/...](https://www.pinterest.com/dalassshelter/)

Additional great resources: <http://petharbor.com> (Dallas Animal Services) | [www.helpinglostpets.com](http://www.helpinglostpets.com) | [Nextdoor.com](http://Nextdoor.com) | <https://www.facebook.com/groups/fidoakcliff/>

**Please note that there is a City ordinance that requires anyone who finds a pet make an effort to find the owner, so notifying DAS and getting a formal Found report filed is required.**

## Pet Corner—Denise Requardt

### Spay & Neuter

All dogs and cats in the City of Dallas must either be spayed or neutered, or the owner will need to obtain an [Intact Animal Permit](#). There are a few exemptions to this ordinance:

- Dogs and cats under six (6) months of age;
  - Dogs and cats unable to be spayed/neutered or is permanently non-fertile for health reasons;
  - Service animals;
  - Competition cat or competition dog;
  - Dogs and cats for adoption at Dallas Animal Services, other animal welfare groups, or for sale in licensed retail pet stores; or
  - Owners holding a valid Intact Animal Permit
- DAS and their partners strive to provide free and low-cost spay/neuter services for Dallas residents. Availability of these services, however, is dependent upon funding, and programs and offers change frequently. Please call 214-670-8248 for more information, visit Facebook at [Facebook.com/DallasAnimalServices](https://www.facebook.com/DallasAnimalServices) or [www.dallasanimalservices.org](http://www.dallasanimalservices.org)

### Feral Cat Trap, Spay/Neuter, Return Program

There has been an influx of feral cats in the neighborhood. If you are feeding the cats it is your responsibility to ensure they are spayed/neutered.

### THE FACTS ABOUT HOMELESS, WILD AND UNTAMED CITY CATS
